Dear Sir,

I acknowledge receipt of your letter of yesterday.

We note your unwillingness to provide the basic forms of acknowledgement asked of you.

In the circumstances, and bearing in mind your previous actions and the confidentiality of the regulatory process, we will not be in a position to release the Objections and associated materials to you at this juncture.

We would emphasise that, if your position changes at some later date, we will revisit matters and consider any proposals you may wish to make at that point.

Yours sincerely,
